Your booking has been updated, SHAWN KOHLHAAS!

Here is your itinerary and receipt. Thanks for traveling with Allegiant.

Going the distance for health and safety®

Consistent with updated TSA guidance, Allegiant is no longer enforcing the federal mask mandate. Allegiant passengers and team members still have the option to wear masks if they choose, but it is not required.

Airport Arrival

TSA wait times at your departing airport can widely vary. We strongly advise that you check TSA's app, My TSA, for the most upto-date wait time estimations* for your departure airport. Plan to arrive at the airport at least two hours in advance of your flight, but keep in mind additional time may be needed to provide adequate time to check bags, go through security and arrive at the gate before the scheduled boarding time. Aircraft doors close 15 minutes prior to the scheduled departure time of the flight.

*Wait times provided in the TSA application are estimations and not a guarantee of the actual time it will take to clear security. It is always a good rule of thumb to give yourself additional time to ensure you do not miss your flight due to security delays.

REAL ID

Beginning May 3, 2023, the Department of Homeland Security will require travelers to have a REAL ID-compliant driver's license, state-issued enhanced driver's license, or <u>another acceptable form of ID</u> to fly within the U.S. REAL ID-compliant cards are marked with a star at the top of the card. Learn more <u>here</u>.

IMPORTANT NOTICES

Baggage Liability Limitations:

For domestic (U.S.) flights, Allegiant Air's liability for provable direct or consequential damages resulting from the disappearance of, damage to, or delay in delivery of a passenger's personal property, including baggage, in Allegiant Air's custody is limited to \$3,500 per passenger. (This limitation does not apply to wheelchairs or other mobility aids or assistive devices belonging to passengers with disabilities.) Please refer to Articles 75 and 76 of Allegiant's Contract of Carriage for additional information.

E-Ticket Expiration:

All travel involving funds from this itinerary number must be completed no later than one year from the date the original itinerary was booked. Any change to an itinerary, if permitted under Allegiant's Terms and Conditions, will involve a change fee. For additional information, see Allegiant's <u>Terms and Conditions</u>.

Overbooking of Flights:

Airline flights may be overbooked. There is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first

ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline of 45 minutes prior to each flight segment, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.

Incorporated Terms:

Air transportation provided by Allegiant Air is subject to the terms of Allegiant's Contract of Carriage, and all such terms are herein incorporated by reference. Incorporated terms may include but are not restricted to (1) limits on liability for personal injury or death; (2) limits on liability for loss, damage or delay of baggage, including fragile or perishable goods; (3) claims restrictions, including time periods within which passengers must file a claim or bring an action against the air carrier; (4) rights of the air carrier to change terms of the contract; (5) rules about non-refundability of air transportation, hotel, auto, activities or services, baggage and seat fees, and related booking fees, carrier charges and taxes; reconfirmation of reservations, check-in times, and refusal to carry; (6) rights of the air carrier and limitations concerning delay or failure to perform service, including schedule changes, substitution of alternate air carrier or aircraft, and rerouting. You can obtain additional information on items 1 through 6 above at any U.S. location where Allegiant's tickets are sold. You have the right to inspect the full text of Allegiant's Contract of Carriage at its airport ticket counters or by clicking here. You also have the right, upon request, to receive free of charge by mail or other delivery service the full text of Allegiant's Contract of Carriage including the terms referenced above.
