

Grand Rapids Food Service Industry Worker Fund Application

Green Frog Photo worked with numerous chefs to obtain recipes to build an encompassing book of local flavors to help feed our own industry professional in their time of need. We will be distributing \$50 SpartanNash gift cards to be used by food service industry workers who can use a helping hand. The gift cards were a matching contribution made by Spartan Nash against funds we are continuing to raise with the "Chef's at Home" cook book.

If a \$50 gift card will help you and your family, please fill out the application below.
