## The rules of the game:

You must be an ACF member in good standing of at least 21 years of age

All entries must be submitted to me by July 15th 2021

Do not place your name anywhere on the entry form. You will be identified by your name of the brew.

The name of the brew must reflect locality and culinary. The name could be subject to change with your collaboration to be optimally marketable.

Type of brew to be a certain classification (example: porter, pilsner, IPA, unfiltered wheat, ect) Due to time restraints we cannot do aged beers, lagers or pilsners.

Flavor profile –It is what you want the brew to taste like and what it reminds you of (example: Lavender of a Warm Sunny day)

Ingredients must be cost effective (i.e. Morrels for a beer are just too costly)

Brew must be marketable to the public.....make it something the people will like.

All Submissions will be reviewed by the brewers and selected by their expertise on what will encompass a marketable product that aligns with both the ACF and GRBC food and community philosophies. All contestants are required to present a dish to have at least 20 servings (heavy apps.) for the ACF Happy Hour Beer Launch party as your entry fee. All entries are to be submitted by June 15th 2018 to [ggracf@gmail.com](mailto:ggracf@gmail.com). (If you have problems emailing your entry please contact us at 616-856-7775). GOOD LUCK!
